# NASA Climate Night

NASA & NOAA data have revealed that 2015 was hottest year in historical record. Our evening features "Monitoring Earth's Climate from Space" with activities and presentations from NOAA and NASA Sea Grant and Space Grant researchers about the latest in climate monitoring and modeling. Welcome Stand-Up Economist and climate change cartoon book author, Dr. Yoram Bauman, the UW Department of Atmospheric Sciences, The Glenda Project, and teens from Seattle Youth CAN. A very cool evening about a hot topic!

5 to 9 p.m.

**Activities and presentations in Charles Simonyi Space Gallery**

6 to 7:30 p.m.

**Yoram Bauman, Stand Up Economist talk and book signing**
