

# Westgate Elementary Science Expo

Friday, February 6<sup>th</sup>

6:30-8:30 pm

Come join us for a **FREE family science night** at Westgate!  
Professional scientists and educators in the community will share their knowledge and passions through hands activities and demonstrations.

## Featuring Guest Scientists from:

Boeing **Model Rocket** Club & Boeing Employees Aerodynamic Modeling Society\* **Dark Sky** \* Edmonds Community College **STEM** program \*Edmonds **Recycling** \* Mountlake Terrace High School Magnet **STEM** Program, **FIRST Robotics Team & Rocketry Team** \* Private **Entomology** Collection \* Maplewood **Rock and Gem** Club \*NOAA National **Marine Fisheries** Service \* Pacific NW **Herpetological** Society \* Seattle **Children's Research** Institute \* Seattle University **Chemistry** Department \*Snohomish County **Ham Radio** Club \* Washington **Aerospace** Club \*UW **Atmospheric Science** Club \* UW **Neurobiology** and Behavior Club \* Quiet Heart **Wilderness** School \***Chiropractor** \* **Veterinary** \* **AND MORE...**

- ⦿ Note, for everyone's safety parents must accompany children. **No drop-offs allowed.**
- ⦿ **Volunteers are needed** to set-up 3-5 pm and break-down after the event. We also need some "people power" during the event. **PLEASE CONSIDER HELPING OUT & GIVING YOUR 2 HOURS OF POWER!!!** It takes a village ☺.
