

WESTGATE PARENTS

Join us for our Parent Staff Organization (PSO)
meetings in the school library every
2nd Wednesday of the Month from 6:30 to 7:30 pm.

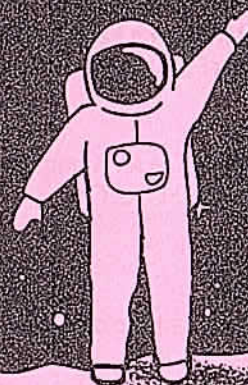

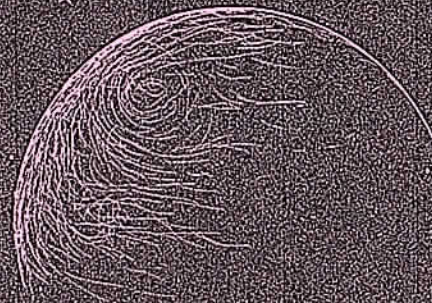

Hear updates from our Principal, about events
coming up for students and families, and connect
with other parents of Westgate kids.

Westgate PSO is run by volunteers and we currently
need more parents to join and participate for our PSO
to continue to thrive. If you would like to help make
Westgate Elementary a great place for our students
and families, please come and join us!

Everyone is welcome.

WE NEED YOU

THANK YOU TO OUR SCIENTISTS

Science Night is made possible by the
generous donation of time and expertise
from all the groups and individuals that
participate. Please take time to say, "Thank You."

Brought to you by our
